SelfServEX

Five fully managed services. Any combination, any site.

SelfServEX funds, installs, operates and maintains every unit. One partner, one agreement and a share of every transaction to the host.

FULLY FUNDED BY US · UNATTENDED AND CASHLESS · REMOTELY MONITORED · PAID QUARTERLY

Dog Wash Express

Commercial grade self-service dog wash. Stainless tub at working height, warm wash, shampoo, conditioner, rinse and warm-air blow dry on a 5, 10 or 15 minute cycle. In unit hair filtration means only soapy water reaches the drain.

Best suited to: Pubs, forecourts, parks, hotels, holiday sites

£1,500 – £2,500
15% of gross revenue
to the host, per year

Wash Express

Self-service laundry for the loads that will not fit a domestic machine — duvets, bedding, workwear and pet bedding. Card operated and open beyond normal trading hours.

Best suited to: Residential catchments, holiday parks, industrial estates

£4,000 – £6,000
20% of gross revenue
to the host, per year

Ice Express

Self-service ice machine producing and bagging on site, so there is no delivery schedule and no freezer space required from the host. Strongest through the summer months.

Best suited to: Forecourts, pub gardens, coastal and event sites

£500 – £1,500
20% of gross revenue
to the host, per year

Parcel Express

Evri parcel lockers for 24-hour collection and returns, deployed under our master partnership agreement with Evri. The one service in the portfolio operated by a partner rather than by us.

Best suited to: Villages, forecourts, estates, retail parks

£1,000
£1,000 + VAT flat fee
to the host, per year

Charge Express

EV charging funded, installed and operated by SelfServEX. Lengthens dwell time on site and brings drivers who would otherwise pass by, with no grid works or capital cost to the host.

Best suited to: Car parks with dwell time, destinations, workplaces

£2,000 – £3,000
20% of profit after costs
to the host, per year

All five deployed at one site indicative annual income to the host, per site **£9,000 – £14,000 a year**

EVERY DEPLOYMENT INCLUDES

- ✓ Free site survey and a written recommendation
- ✓ Equipment funded in full, no host capital
- ✓ Civils, groundworks, installation and connections
- ✓ Preventative maintenance, repair and consumables
- ✓ Public liability and product insurance
- ✓ Removal and making good at end of term

12 to 18 weeks from first contact to a trading unit. Survey, report, contract, install, commission.

THE NEXT STEP IS A FREE SURVEY

Tell us where the site is and we will assess it at our own cost. You will get a written report showing which of the five suit that location and what they should earn. If nothing suits, you have spent nothing and you are under no obligation.
